To Whom It May Concern,

Our amended report filed on 02/17/2013 should take care of all issues on the 01/18/2013 RFAI.

We updated the memo lines for the contribution from the Schilling/Dold Next Generation Committee.

The reason that the sum on schedule A for the second Patriot Day II contribution is less, was because that funds were held over from the first distribution. If you add up the memo lines of both Patriot Day II contributions on 09/30/2011 and 09/30/2012, the total of the memo lines is greater than the amount disbursed.

The two contribution refunds mis-coded on line 17 instead of line 20A were also corrected and updated.

Should you have any questions feel free to email me at [mitch@bobby2010.com](mailto:mitch@bobby2010.com).

Sincerely,

Mitch Heckenkamp  
Treasurer  
Bobby Schilling For Congress
